Dear Westwood High School Supporter,

For over 25 years, the Westwood Orchestra program has built a tradition of musical excellence at both state and national levels of which few secondary music programs in the country can boast. Recently named the TMEA Honor Orchestra for 2024, this is the fifth time in school history that the Westwood Orchestra has been named the **best orchestra in the state of Texas**. Additionally, the Westwood Orchestra has frequently displayed its students' talents on a national stage, including a 2019 performance at the prestigious Midwest Band and Orchestra Clinic in Chicago, Illinois. All of this is due to the strong support by the Round Rock Independent School District and the Westwood community.

To continue our program's high levels of success, we are asking for your business' support by becoming a member of the Westwood Orchestra's Donor Circle. With your help, we will continue to provide our students with unparalleled learning opportunities and a high level of music education.

There are varieties of membership levels that make sponsorship accessible to everyone. It is a tangible way for your business to show the community your support of our students and their music education. For inclusion in all of our 2024-2025 publications, please submit your contribution by October 1, 2024. Sponsorships after this date will be added to future publications.

Thank you for your support of music education and the students within the Westwood community! For questions or more information, please contact us at thewestwoodorchestra@gmail.com or Joshua_Thompson@roundrockisd.org
